Hello Kitty Hockey Table

Sega brings fun to children's hockey table with the well-known character, Hello Kitty. This compact two-player table is perfect for children ages two to eight and features LED scoring on the playfield, two ticket dispensers for each player, one coin comparator, and a polycarbonate scratch-free play field.

Sega Amusements

Plants vs. Zombies Whacker

Plants vs. Zombies Whacker comes from the popular franchise of the same name that has players use a mallet to repel a wave of six pop-up zombies. The more zombies hit, the more points scored and the more tickets won.

Sega Amusements

Super Monkey Ball

Players must guide the monkey to the end of the level using the trackball. Collect bananas along the way to get tickets. It's game over if you run out of lives or time. Reach the goal in time to enter the jackpot game.

Universal Space

Bunny Pond

Bunny Pond is a new redemption water gun game in which players use skill to squirt the bunnies back home. No plumbing is needed and it's easy to keep clean, great for any indoor location. Bunny Pond comes in a bright and colorful cabinet with fun and attractive music and sound effects.

Universal Space

Dino Pop

This is a simple and fun game where players toss as many balls as they can into the Dino's mouth within the time limit. The Dino also moves to make the ball toss slightly more challenging. Tickets are awarded based on the final score.

Universal Space

Ducky Splash

Ducky Splash is a one or two-player water shooting game. The object of the game is to use the water guns to shoot rubber ducks into the tunnel entrances. Players must shoot as many ducks as possible before the time runs out.

BUYER'S GUIDE

Children's Games

Universal Space
Duo Drive

A simple yet engaging children's game that is either a single or two-player game. Ride either the motorbike or drive the car in a race to the finish line picking up points along the way. Use the handlebars and steering wheel to avoid obstacles and pick up gold coins.

Universal Space
Squirt-A-Gator

One of the first self-redemption water games introduces a unique technology called Universal Vending. This is a new type of redemption machine, suitable for any type of location and can be operated as tickets only, prizes only, or combined. The capsules each contain one of a set of collectable cute rubber alligator figures.

Universal Space
Whacky Froggy

Once the game starts the frogs will randomly pop up from their holes. Players will then whack the frogs back into their holes by hitting them directly on the head with a mallet. Hit as quickly and as many frogs as possible before the time runs out, the higher the score the more tickets won.

Valley-Dynamo
Short Shot

Awesome things come in small packages from Dynamo. The hockey table is sized just right for children. Interactive sound, lighting, and side shields enliven the play experience. Fully built in the USA. ▲
